Namaskar,

Just forwarding you the breakdown of the donations made to the hospital via the MSSO last month between june 2021 to current.

I would request a small briefing of how the funds were used at the hospital as per Ajit Bapats email below? I can work with your staff or can draft something if you send me some points. (I am sure we wrote one last year- let me find that as well).

Please acknowledge and let me know if you have any questions.

Regards,

Aparna

Aparna,

Following the transfer of \$21500 on June 15/ 2021 I have received the following donations to date

Date	Donor	Amt
7/10/21	Sushma Sontakke	301
12/10/21	Sanjiv Mohite	4000
19/10/21	Nathalie Bhindi	500
17/12/21	Sanjiv Mohite	5000
2/6/22	Aparna Rewankar	5000
Total received		14801

On June 24 2022 I have transferred \$12000 so I have a balance of \$ 2801 which would be included in the next transfer

Generally I send once or twice in a year and want to send more than \$!0000 to get better exchange rate from State Bank of India

So let this be the target for your group supporting SJVCT

It would be helpful to prepare a brief descriptive note on how our donation was used and how it helped.

If you or your circle have any contacts at SVJCT and the Hospital and can prepare this it would be great.

Feel free to call any time

With Best Wishes

Sorry I sent the reply too fast.

I observed that

as per calculations between our donations plus mohite's (not calculating praful bhindi who also donated last oct)..... The amount should be equivalent to almost 14k CAD(this amount is only coming to 11k CAD)

Just curious how it works..... That's all. I never really looked into this before-
so maybe we can have a quick chat so I understand the process a bit better?

Let me know and hope its okay. It will help me for sure. That way I will be more confident when other donors ask as well.

Aparna

Namastar Shri Vikas saheb,

MSSO needs a small report for funds utilization details for their records.

You can utilize the similar documentation that previously you had created for Hindu Society Ottawa.

for eg: Project name (s), details and how much funds were utilized from the funds sent by MSSO.

Please let me know if you need more details or clarifications.
