FUNCTIONING OF IMMUNIZATION CLINIC

Institutional Immunization clinic is been set up as per the technical guidelines of Govt. of India, WHO and UNICEF. Immunization sessions are conducted at PNC ward for new born (Birth Dose) and for older ones at immunization clinic in Pediatrics OPD from 10 to 1 PM from Monday to Saturday.

Separate nursing staff is being appointed for immunization clinic.

Vaccines are procured from Sawarde PHC through proper channel on monthly basis. Immunization clinic activity is monitored under Pediatrics and community Medicine dept.

Activities are supervised by the faculty of both the depts. Such as cold chain maintenance documentation related to vaccine e.g.name of vaccine, quantity given, vaccine manufacturer, details of batch number, date of manufacturing, date of expiry, vial number of vaccine administer and maintains of records of beneficiaries. Also strict guidelines are adhered for reporting and treatment of AEFI as per government guidelines.

Training and sensitization of staff involved in immunization clinic is done regularly through DHO/RCH Ratnagiri, Chiplun THO and through community medicine dept of our Institution.

Vaccines for UHTC are procured from the hospital.
