## Opening ceremony of "Tobacco & Alcohol Awareness Program"

Knowing that addiction and freedom from tobacco and alcohol can lead the rural society to progress, the disease Community medicine department and psychiatry department of Walawalkar Medical College continuously educate the patients and their relatives in the outpatient and inpatient departments of the hospital. This initiative was launched by Prof. HOD of Community Medicine Dr. Gajajan Velhal. The resident doctor gave a beautiful presentation on the side effects of gutka and alcohol addiction. On behalf of the Department of Psychiatry clinical psychologists Swati Sonawane and Rupali Chavan conducted awareness session under the guidance of associate prof Dr. Padma.

## International Workshop by Dr. Raghunandan Kanvinde and Dr. Natasha Kanvinde from UK

Renowned hand and wrist surgeon from United Kingdom Dr. Raghunandan Kanvinde conducted a workshop for first year medical students on hand and wrist surgery and knowledge of anatomy required for it. Students responded enthusiastically to this program.

Dr. Natasha Kanvinde has acquired special knowledge on 'Advance Life Support' and 'Neonatal Life Support'. Dr. Natasha is studying pediatrics at Cambridge University. She addressed the students of Walawalkar Medical College and conducted a workshop on how to check the mindset of the young generation.

## Celebration of International Yoga Day at Walawalkar Rural Medical College

On 21<sup>st</sup> June on the occasion of Yoga Day, under the guidance of prof. Physiology Dr. Amar Barwade, Yoga Day was celebrated with enthusiasm in the medical college. Yoga asanas were demonstrated in the spacious sports complex after sunrise in the morning and the students also performed Yoga. A course was conducted to impart the advantages of Yoga and Wellness and to convince the students about the importance of Yogasana. The occasion was graced by Mrs. Radhika Rane, a teacher of Yoga Vyasa from Mumbai as a chief guest. In this program, medical students were guided on how to lead a healthy life by taking care of their health while becoming a doctor.

**State Level Inter Medical College Health Quiz Competition by Indian Public Health Association (IPHA)**

Every year the Indian Public Health Association (IPHA) conducts state level inters medical college health quiz competition for undergraduate medical students. Students from Medical college had participated in the competition. It was a proud moment for our College; since for the first time students from the college had participated in the state level competition. Among all the five teams in the divisional round held at Rajiv Gandhi Medical College Thane, the team from Walawalkar Rural Medical College secured first position and IPHA Won the divisional round of the quiz. The final round of the quiz competition was held on 11<sup>th</sup> July 2023, at D. Y. Patil Medical College, Pune.
