

Alumini Association

The Alumni Association is registered and holds regular meetings to plan its involvement and developmental activities with the support of the college during the last five years.

Response: BKL Walawalkar Rural Medical College has Alumni association where the undergraduate students graduated from our institute can join and be a part of one of the stakeholders to support the growth of the institution. The Alumni association is in a nascent stage as only two batches have graduated till date. The registration of said association is in process at sub register office and the Alumni association office is located in the campus. The Association is formulated with the administrative staff and the alumni of the B.K.L. Walawalkar Rural Medical College. The alumnus plays a major role in guiding the students to further pursue higher studies or to continue their career as doctors in society.
