Professional Education Manager

Johnson & Johnson Pvt. Ltd.

6th Floor, 501, Arena Space,
Behind Majas Bus Depot,
Off J.V. Link Road,
Jogeshwari (E), Mumbai 400060.

Sub.: Johnson & Johnson Institute on Wheel (JIW) based skill lab training at B. K. L. Walawalkar Rural Medical College & Hospital Diagnostic & Research Center, Dervan

Dear Mr.

B. K. L. Walawalkar Rural Medical College & Hospital Diagnostic & Research Center, Dervan, not only serves as superspeciality hospital, but also imparts medical education to aspirant young physician & surgeons. In this regard, the Department of General Surgery is organizing a 3 days Suturing Workshop (JIW) from 22/03/2024 to 24/03/2024 from 10 am to Evening 5 Pm in/at B. K. L. Walawalkar Rural Medical College & Hospital Diagnostic & Research Center, Dervan for all Medical Practitioners or Resident Drs to make them learn critical surgical techniques which will help them in their day-to-day practice.

In our effort to train young surgeons in performing safe surgery in dedicated training laboratories with use of simulators and training models outside of the operating room, the need of JIW based skill lab training was strongly felt by all faculty members/ organizers/ authorities.

Therefore, we request a support from Ethicon India to bring and park JIW based mobile surgical skill lab in B. K. L. Walawalkar Rural Medical College & Hospital Diagnostic & Research Center, Dervan campus for 3 days 10 am to 5 Pm and help us in training aspirant PGTs/junior/budding surgeons.

The institute will provide necessary space/ power/ safe anchoring utilities and acknowledge your support for education/ training, appropriately.

We believe, in way, this will possibly meet both organization vision of up-skilling our next generation surgeons and will auger better patient outcomes.
