

Details of ICT-enabled tools used for teaching and learning

1. Senses smart board 86” LED IPS panel(Smart classroom)
2. LMS (Learning Management System)
3. Classroom equipped with LCD projector and audio system
4. Live streaming demonstration camera with Screen sharing system at skill lab
5. SLIM-21 Library management system for online access of library books
6. E-book. E-journal, E- Question bank.
7. Data sharing server based platform “RMC, DAILY UPDATE”
8. DELNET portal
9. Elsevier e-consortium (Clinical key student),
10. Google forms
11. Computer with pointer and slide changer
12. Laptop with internet facility
13. Overhead projector
14. Computer Assisted Learning with Educational CD's for Animal and Pharmacological experiment simulation
15. Digital Camera with eye piece gear
16. Online medical journal
17. Digital library
18. Printer
19. Pen drives

DELNET PORTAL (Online portal for sharing digital library resources)

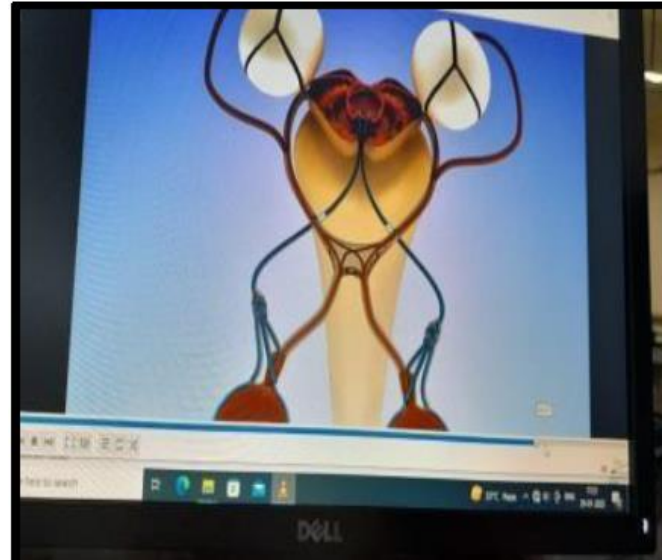

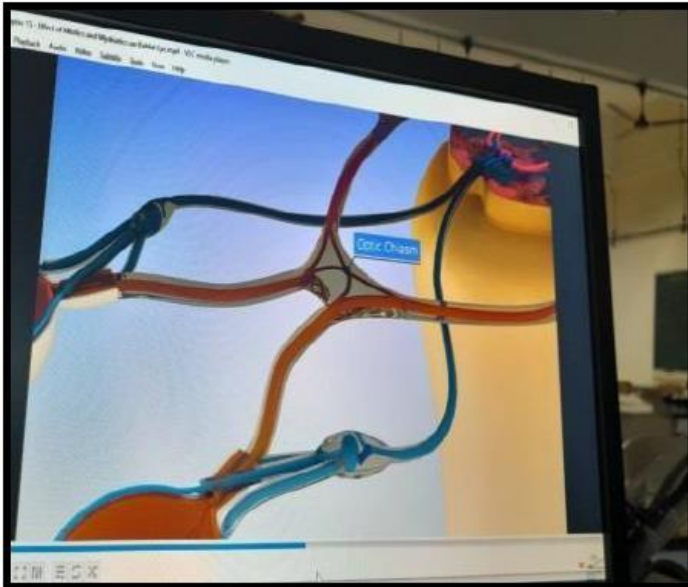

The screenshot shows the homepage of the Knowledge Gainer DELNET portal. At the top left is the logo "Knowledge Gainer" with the tagline "Knowledge Gateway to Access Information, Networked Electronic Resources". Below the logo are navigation buttons for "E-Journals", "E-Books", "Articles", and "IRs". On the right, there is a "Welcome" message, the "DELNET" logo, and a "Contact DELNET" button. The main content area features a central image of a tablet displaying a book cover with the text "Gaining Knowledge" and a magnifying glass over it. Below this image is the heading "Welcome to Knowledge Gainer" and a paragraph: "The knowledge gainer allows you search for item of your choice in Library holdings Knowledge Gainer provides the facility of searching and browsing online material available." On the right side, there is a login form with fields for "Username:" and "Password:", and a "Login" button.

Elsevier e-Consortium (Online platform to provide access to online books, videos, images, case summaries)

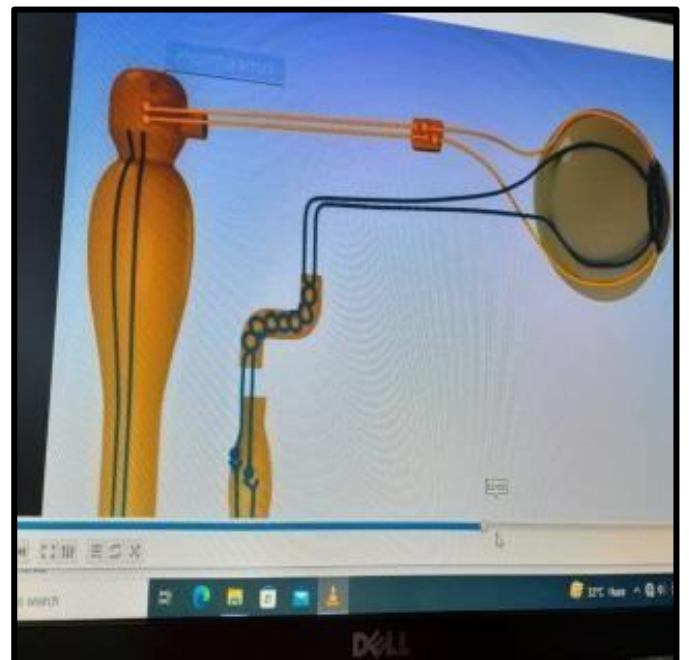

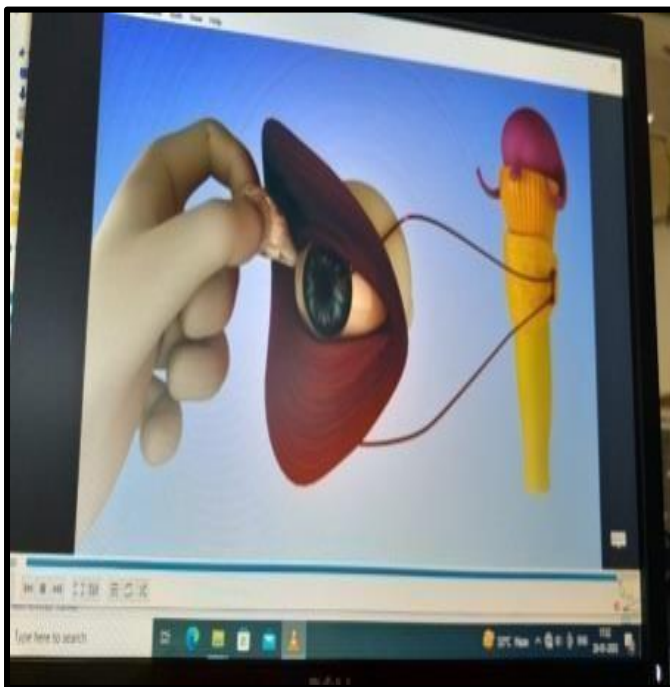

The screenshot shows the student interface of the Elsevier e-Consortium (ClinicalKey). The browser address bar shows "clinicalkey.com/student/studyresources". The page header includes the "ClinicalKey Student" logo and navigation links for "Home", "Books", "Images", "Videos", "Summaries", and "My saved". A personalized welcome message reads "Welcome, HOD Physiology BKLWRMC!". Below this is a search bar with the placeholder text "Search medical concepts, diseases, book titles...". A "Quick actions" section is highlighted with a red box, containing buttons for "Create reading list", "Books", "Disease summaries", "Videos", and "Launch Bookshelf". Below the quick actions is a link to "Browse our MBBS Practical & Clinical Skills Videos". At the bottom, there is a "Get started" section.
