

B. K. L. Walawalkar Rural Medical College, Sawarde

Sports play a vital role in our lives. It helps us to stay healthy, fit, and active. It teaches us the value of teamwork and encourages us to work hard and never give up. Sports also help us develop discipline, dedication, and commitment, which are essential values for success in life. It is also a great way for people to socialize and make new friends.

B.K.L. Walawalkar Rural Medical College has an active Sports club which was established in the year 2023. The club comprises members from faculty and MBBS students. The main objective of sports club is to promote, organize and conduct various sports events throughout the year for MBBS students at the college level. This would encourage our students to participate in higher level sports events such as at University, state and national levels. As a medical student faces many challenges so participating in sports helps them cope with the examination pressure and prepare them for further challenges by providing them with physical and mental strength. Students who are indulged in physical activities sustain good values of mutual respect and cooperation. Playing sports teaches them skills such as accountability, leadership, and learning to work with a sense of responsibility and confidence

**Inaugural day – Annual Sports and Cultural Event
ANUBANDH - 2023**

Arts & Cultural Club:

Mrudgandh

Arts and Cultural Club was established in BKL Walawalkar Rural Medical College on 26th March 2023 and Dr. Adwait M. Godse, Assistant Professor, Department of Physiology is appointed as the in-charge & mentor for all the activities to be conducted by this club.

The club has been named **Mrudgandh (मृदंध)** as it indicates blissful aroma arising from soil as it meets first drops of rain, which indicates that all the arts & cultural activities of this club at our institution are strongly rooted in the rich heritage of our beloved motherland, India.

Objectives of the Mrudgandh (मृदंध)

1. To inculcate a culture of creative expression amongst students with emphasis on values of our rich Indian heritage of immense diversity & equality.
2. To tap hidden talent amongst students and nurture it for holistic development of Indian Medical Graduates (IMGs) passing out from our institution.
3. To provide an open platform for teaching as well as non-teaching staff members for their artistic expression.

So far, this club has mentored all the cultural activities conducted in the annual college festival, "Anubandh 2023". Besides activities in Anubandh (which literally means a strong bond of Love & affection), Mrudgandh has also organized interviews of two of the stalwarts in Medical field: **Dr. Shreepad Banavali**, Academic Director, Tata Memorial Hospital and **Dr. Sunil Nadkarni**, distinguished Spine Surgeon & independent researcher. Both of these stalwarts have been associated with BKL Walawalkar Hospital & Research Centre for over 25 years and have thickly contributed in development of our organization into a respected name in field of charitable healthcare and medical education.

Mrudgandh has planned many activities for college students in 2023/24, which will be organized depending on the academic & examination schedule declared by MUHS.
