सर्व संलग्नीत महाविद्यालये / परिसंस्था,
महाराष्ट्र आरोग्य विज्ञान विद्यापीठ, नाशिक

विषय : महाराष्ट्र आरोग्य विज्ञान विद्यापीठाचा २६ वा वर्धापनदिन
महाविद्यालयात साजरा करणेबाबत..

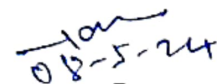

उपरोक्त विषयांस अनुसरून सर्व संलग्नीत महाविद्यालयांना कळविण्यात येते की,
महाराष्ट्र आरोग्य विज्ञान विद्यापीठाची स्थापना दि. १० जून १९९८ रोजी झाली
असल्यामुळे विद्यापीठाचा वर्धापन दिन दरवर्षी दि. १० जून रोजी साजरा करण्यात
येतो.

विद्यापीठाशी संलग्नीत सर्व महाविद्यालयांनी दि.१० जून, २०२४ हा दिवस
विद्यापीठ वर्धापनदिन (Foundation Day) म्हणून आपल्या महाविद्यालयामध्ये साजरा
करावा. सर्व संलग्नीत महाविद्यालयांना विद्यापीठातर्फे विद्यापीठ ध्वजाचे वाटप पुर्वीच
करण्यात आलेले आहे.

सर्व संलग्नीत महाविद्यालयात दि. १० जून, २०२४ रोजी सकाळी १०.००
वाजता विद्यापीठ ध्वजारोहणाचा कार्यक्रम करण्यात यावा व विद्यापीठ गीत वाजविण्यात
यावे. तसेच ध्वज संहितेनुसार सुर्यास्तास विद्यापीठ ध्वज उतरविण्यात यावा.

सर्व संलग्नीत महाविद्यालयांकडून सदर परिपत्रकाचे काटेकोर पालन करण्यात
यावे व आपल्या ध्वजारोहण कार्यक्रमाचे छायाचित्र विद्यापीठास adminstration@muhs.ac.in
या ईमेल पत्त्यावर पाठविण्यात यावेत.

सदरचे परिपत्रक सर्व संबंधितांच्या निदर्शनास आणून देऊन त्याप्रमाणे कार्यवाही
करण्यात यावी.

Welcome Message

We, the Department of General Surgery at the B. K. L. Walawalkar Rural Medical College, Chiplun, Maharashtra, proudly invite you 'ASRICON 2023', the National Conference of the Association of Surgeons of Rural India (ASRI), a section of the Association of Surgeons of India (ASI), which is being held on our campus on the 2nd & 3rd of December 2023. This time the conference explores 'Regional solutions for Global Problems' and hopes to explore new areas for development and enhancement of surgical services to serve the rural population. The conference includes sessions on enhancing the reach of essential surgical services, discuss solutions to global surgical problems, several instructional video demonstrations on essential surgeries, medical education sessions to enhance communication and documentation skills, and the development of newer technologies for education and research.

The conference also provides a broad platform for you to present and discuss your work, as well as opportunities to participate in data analysis and research. We have taken all measures to ensure that your two days at the conference will be enlightening. and fruitful. Looking forward to welcoming you to the ASRICON 2023

ASRICON – 2023

Guidelines for Paper Presentation

Last date for submission of Poster & Paper abstract is 24/11/2023

- 1) Free paper presentation will have Original clinical and research papers in various aspects of Rural Surgery. Time allocated for a free paper will be 8 minutes for presentation followed by 2 minutes for discussion.
- 2) The paper should be in standard format with: Title, List of Authors (Presenting author in bold), Name of department and institute, key-words and a structured abstract (Aims & Objectives, Materials and Methods, Results, Conclusions, References)
- 3) In case there is paucity of time, some free papers may be converted into e-poster format, if it is agreeable to the presenter.
- 4) Timings will be strictly adhered to and we trust that speakers will co-operate.
- 5) The presentation should be made in standard Power point format.
- 6) It is mandatory for all presenters to hand over their Power point presentations for loading into the main computer one day prior to the date of their scheduled presentation.
- 7) It is mandatory for presenters to register for paper / poster presentation.
- 8) Presenters who are PG Trainees should obtain a certificate from their faculty co-author, Unit Head and Head of Department, permitting them to present the scientific material.
- 9) The scientific work should not have been published or presented by any of the authors, anywhere else.

Guidelines for Poster Presentation

- 1) Poster presentation will be in E-Poster format, with maximum of 5 slides per presentation.
- 2) Posters must be concise with clear titles, details of authorship, material and methods, results and conclusions.
- 3) Print Flex of Your Poster having (width 4 feet X Height 6 feet) size.

SUBMISSION FORMAT

Last date for Submission of Poster & Paper abstract is 24/11/2023

*Conference registration is compulsory for Paper and Poster presentation

*Abstracts should be submitted by email to: cme@bklwrmc.com

Presenting Author: _____

DEPARTMENT OF PSYCHIATRY

Date-02nd August 2024

Title of Activity Workshop "Brief Tobacco Intervention"

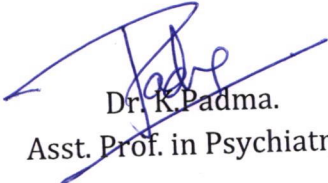

Dept. - Dept. of Psychiatry

Date - 26th July 2024 & 02nd August 2024.

Be free to express yourself: Dr. Kumari Padma

The Brief tobacco intervention workshop was conducted on on 26th July and 2nd August 2024 by the Department of Psychiatry , B.K.L Walawalkar Rural Medical(BKLWRMC). The workshop was organised to train the medical, nursing and Psychology staff and students to administer brief tobacco intervention on the OPD and IPD basis to help the patients to quit tobacco.

There were 1st day 62 & 2nd day 64 participants who had enrolled for the workshop. Workshop was conducted in the Lecture hall 1 in the medical from 10 am to 1 pm. The participants being medicine and psychology students. The participants were asked to fill a pre-test form before starting the workshop to assess the knowledge related to the tobacco uses and intervention. There was active involvement of the participants as we conducted role plays and group discussion in the training. They were taught the burden of tobacco use and the techniques to administer the intervention. They were allowed to give there active feedbacks and fill the post test form to re-evaluate there knowledge acquired through the workshop.

Summary report of integrated seminar on jaundice

This was the second Integrated teaching activity conducted by Department of Pathology, in the year 2024. The circular for the Integrated teaching activity on Jaundice was sent on whatsapp along with schedule. The activity was divided into 8 subtopics and take home message.

9 PG Residents were assigned the tasks. The presenters were Dr. Anuja Jire (JR3), Dr. Samata Tikhade (JR3), Dr. Prathmesh Mirajkar (JR3), Dr. Ankita Choudhary (JR2), Dr. Rupali Mundada (JR2), Dr. Madhushree Desai (JR1), Dr. Prutha Aware (JR1), Dr. Ragini Bhadade (JR1), Dr. Devyani Gadakh (JR1)

These Residents prepared their ppt with thorough understanding and were guided by respected teachers, Dr. Dombale sir (HOD of Dept of Pathology), Dr. Chitra Gargade (Professor), Dr. Jadhav sir (Assistant Professor). After 1-2 consultations, final ppt was prepared by the PG students presenters.

The activity took place on 27-7-2024 at 3PM To 5PM. Dr. Anuja and Ankita welcomed the staff and students and briefed about the activity.

Pre-test and Post Test activity was delivered by Dr. Samata. It included 10 MCQs to be covered in 5 minutes.

The Anatomy of Liver was very beautifully and thoroughly explained by Dr. Prutha.

Dr. Devyani precisely explained physiology of liver and she explained functions of liver, bilirubin metabolism, cellular locations of enzymes in detail and simplified manner.

The subtopic Liver Function Tests was delivered by Dr. Ankita. She covered LFT panel, Tests based on excretion function of liver.

Dr. Ragini explained tests to assess metabolism functions and tests to assess hepatic injury.

The Classification, etiology, difference between 3 main types, prehepatic jaundice was delivered by Dr. Rupali in detail.

The Hepatic Jaundice, its Causes, lab findings, management was explained by Dr. Ankita.

The subtopic Obstructive Jaundice and its Causes, lab findings, management was covered by Dr. Madhushree very precisely and in detail.

The subtopic Neonatal Hyperbilirubinaemia was delivered by Dr. Anuja. She explained how phototherapy is given to the neonates very accurately.

At the fag end Dr. Dombale HOD dept of Pathology gave his inputs and appreciated all presenters.

The take home message consisted the important points in the lecture and delivered by Dr. Prathmesh.

All PG presenters thanked Teachers for their support & important additions. With attendance & thanks, the activity was concluded.

Report of Blood Donation camp

Date of program	25/09/2024
Name of the activity	NSS Day celebration
Venue	NSS cell room, BKL Walawalkar Rural Medical College
Organizing agency	National Service Scheme (NSS) cell & Blood bank, BKLWRMC
Number of students	18 NSS volunteers M.B.B.S batch 2022
Number of teachers	05
Objective	To spread the goodwill message and the importance of blood donation among medical students and faculties
Description of the program & Activities done	<p>On September 25, 2024, the NSS Cell at BKLWRMC hosted a celebration for NSS Day, featuring a blood donation camp in partnership with the BKLWRMC Blood Bank.</p> <p>The event commenced with Dr. Namita Deshmukh, NSS Program Officer, welcoming Dr. Sunita Zunjarwar, the Blood Bank Incharge, and her team with a floral bouquet. Dr. Arvind Yadav, the Academic Coordinator, officially inaugurated the program by lighting a lamp. Dr. Avinash Borkar, Assistant NSS Program Officer, explained the camp's objectives and highlighted the active involvement of NSS students in the blood donation effort. Dr. Gajanan Velhal, Head of Community Medicine, commended the NSS team for their outstanding work.</p> <p>A total of 31 blood units were collected, with donations from first, second, and third-year MBBS students, as well as faculty and interns. NSS volunteers also participated in donating blood and played a crucial role in mobilizing donors and ensuring the safe collection process.</p> <p>Certificates of appreciation were awarded to all donors, and Dr. Sunita Zunjarwar praised the NSS Cell for their quick response and active engagement in the initiative.</p>

Summary report of QC update workshop held on 28 Oct 2023

The QC update workshop for MBBS 2021 batch was held on 28 Oct 2023. Dr Jadhav P.V. ,Asst Prof. Dept of pathology summarised the schedule of the workshop and then discussed introduction, purpose, basic definitions, different QC Institutions and Pre, analytical, post-analytical phases of Quality control.

He then briefed about QC Statistics which included Gaussian curve, mean, mode, median, Variance, CV, SD, example to calculate SD, CV, error.

At the fag end, he briefed about types of error, shifts, trend, Precision, accuracy IQC, EQC, Westguard rules and examples, LJ chart and analysis and finally QC Troubleshooting process flow.

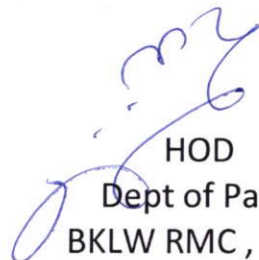

After finishing core topics, various queries from students were resolved by the speaker. Students were very happy with the workshop for it would help them to keep abreast of the latest quality related knowledge in Laboratory medicine. At the end, feedback and attendance was registered.

Final remarks and vote of thanks were presented by Dr Prathmesh and Dr. Ankita. Clerical and administrative assistance was supported by Mrs. Anushree.

Introduction

The workshop will help in understanding how to create technology startups from innovative ideas. Startup stories and their journey towards being an entrepreneur will be shared. Most importantly, this workshop includes a guided tour of Venture Centre showcasing ways in which Venture Center can support the startup journeys from ideation to all the way to taking the products to commercialization. The main attraction of the tour is a demo of a High-end instrument PSA-Zeta Potential measurement at the Venture Center Scientific facilities

To summarize, from this workshop participants will be able to understand :

- How to convert their innovative ideas into a commercial product or a service by being an entrepreneur
- How they can create a startup and be a founder
- How Venture Center can support their startup journey
- Know the government schemes available for entrepreneurs
- Participants will also get an opportunity to have in-person interaction with some successful startups from the Science Tech Domain and learn from their journeys.
- Experience the scientific facilities offered and see live demo for a High-End equipment.

Program Includes

- Attendance certificates for 30 registered attendees from the institute, post filling up the feedback forms.
- Program includes morning and afternoon tea /coffee with snack, lunch and registration kit.
- Free membership in mailing list to follow-up on program and intimation of relevant events/ funding opportunities from Venture Center.
- Guided Tour of Venture Center and the various service offerings to support innovators and startups from your institutes.
- Access to all presentations via a restricted website.

Founders of Startups (in alphabetical order of their last name) (based on the time and availability of the speaker)		
 Anirudh Atre	 Jeevtronics	Jeevtronics is a disruptive cardiac innovation based company dedicated to designing and implementing affordable medical devices for underdeveloped and rural areas. The first product of the company is a novel hand-cranked defibrillator that will deliver a Bi-Phasic shock to the heart with less than 15 seconds of cranking.
 Jilma Peruvangat	 Kozhnosys	Kozhnosys is a start-up involved in the development of biomedical devices with the aim of building cost-effective and easy to use medical diagnostic devices using cutting-edge technology. Currently they are developing a routine screening device for cancer. The company is working towards demonstrating proof of concept for a novel molecular-imprinted polymer coated quartz crystal microbalance sensor for rapid breath based routine screening for breast cancer, by identifying elevated concentration of volatile markers in exhaled breath.

Venture Center Team (in alphabetical order of their last name)	
	<p>Soma Chattopadhyay Head - Incubation & Mentoring, Venture Center</p> <p>Soma is currently associated with Venture Center as Head for Incubation and Mentoring. In her present role she is the first point of contact for the innovators, understanding their business and connecting them to the right resources. She is also responsible for the entire incubation process for the start-ups and for any support required during the course of incubation period.</p>
	<p>Edna Joseph Head - Analytical Services</p> <p>Edna leads the Analytical Services Facility "VC AnalytiX" at Venture Center. She has a Masters in Organic Chemistry (Pune University) and holds a PG Diploma in Patent Law. She also heads the Quality Assurance Unit at the GLP compliant Center for BioPharma Analysis (CBA) at Venture Center. She has demonstrated knowledge and understanding of many analytical instruments (e.g. elemental analysis, thermal analysis, chromatography etc.). She has run and assisted in proof-of-concept projects. Many technical and scientific workshops, especially those with hands-on lab exercises with lab instruments have been conceptualized, planned and organized by her.</p>
	<p>Mugdha Lele Head – Social Innovations, Venture Center</p> <p>Mugdha is a Ph.D from School of Health Sciences, University of Pune and has teaching and research experience in a State Government medical university. At Venture Center, she is responsible for driving the Social Innovations and related activities and is responsible for providing technical mentoring for incubatees at Venture Center. Mugdha has been a Fellow of the Chevening Rolls Royce Science, Innovation, Policy and Leadership Programme (CRISP) at the Said Business School, University of Oxford, UK in 2016. In 2018 she has also been part of the Aritra Accelerator Program for Leadership in the Social Sector at IIM Bangalore with Phicus Solutions and Dr. Reddy's Foundation. She is interested to drive programs which support development of novel technology solutions for impact in the social sector.</p>
	<p>Sharvari Naik Senior Associate – Outreach and Technology Connects, Venture Center</p> <p>Sharvari is M.Sc. Biotechnology from Institute of Bioinformatics and Biotechnology, Savitribai Phule Pune University. As part of the TechEx.in team at Venture Center, she is involved in technology scouting and lead generation activities, building industry academia relationships, technology showcases and matchmaking initiatives and various awareness events in the innovation management domain.</p>
	<p>Kavita Parekh Associate Manager - Technology Connects, Venture Center</p> <p>Kavita is currently Assistant Manager - Technology Connects at Venture Center. She is a doctorate from School of Health Sciences, University of Pune and has teaching and research experience of more than 11 yrs. She has industry experience of working with biomarkers for cancer and her research interests are in molecular diagnostics. At Venture Center, she is responsible for technology marketing and lead generation activities. She also identifies Tech partners in academic and research institutes.</p>
	<p>Premnath V, PhD Director, Venture Center Head, NCL Innovations</p> <p>Premnath is Head, NCL Innovations at CSIR-NCL and Founder Director, Venture Center (National award winning inventive enterprises and deep tech incubator). Dr Premnath is a technology developer, innovation and incubation manager, startup mentor and a co-founder of 2 medtech startups. One of his inventions -- a breakthrough material for hip and knee joint replacements — has been implanted in more than a million patients worldwide. Another technology for porous maxillo-facial implants has been implanted in thousands of patients in India and abroad. He has provided leadership for teams that have won National awards for technology development, intellectual property management and business incubation. He is chemical engineer and an alumnus of MIT in the US, IIT-Bombay (Distinguished Alumnus, 2022) and has been a Chevening Technology Enterprise Scholar in Cambridge, UK.</p>

12	M21122	Shet Vaishnavi
13	M21132	Tambde Riya
14	M21144	Walawalkar Aditi

The visit was arranged in co-ordination with SVJCT's Bio-Medical Instrumentation College.

About Venture Centre, Pune : Venture Center was founded in 2007 as an initiative of CSIR's National Chemical Laboratory. Venture Center was incorporated as “Entrepreneurship Development Center” under Section 25 of the Companies Act, 1956

Venture Center is India's award winning, leading technology business incubator for science and technology startups, which offers a full suite of programs, services, resources and facilities to support entrepreneurs.

Venture Center is an approved incubator of the National Science and Technology Entrepreneurship Development Board of the Department of Science and Technology, Government of India (DST-NSTEDB).

DEAN

Venture Center has supported 650+ entrepreneurs till date, with over 70+ resident incubatees physically incubated within the NCL innovation park. Over 50% of their startups are working on health technologies, 16% startups are working on clean tech, environment, and sustainability solutions, with 14% of the startups working in the agriculture sector. Over 75 of the startup products and services have already been launched and are in the market.

Schedule of Workshop

Time : 10.00 – 4.00 pm

- **Morning session:** Dr. Mugdha Lele gave a brief introduction about Venture Center, their activities and about startups and how to build a start-up. It was a very knowledgeable session for budding researchers.
- **Campus visit:** We were taken through the campus and shown various departments in Venture center, which included testing, Spectrometry, designing (PCB, 3D printing) CNC lathe and fabrication section, cold storage, culture labs, etc. Students were shown live demonstrations on spectrometry and 3d printing,
- **Incubation:** Post lunch, Mrs. Soma Chattopadhyay (Head of Incubation and mentoring, Venture center) gave a lecture on incubation center, different types of fundings available, what is 'dead valley' in startups and other important perspectives were discussed
- **Success stories:** Post lunch Venture center had arranged for lectures from people who had rendered their services and are now running their own startups.
 - ✚ The first one was Mr. Aniruddha Atre from Jeevtronics. They have launched a hand-cranked Defibrillator which has a patented technology of using dual power mode on their bi-phasic power defibrillator.
 - ✚ The next one was Dr. Jilmi Peruvangat, who is working on breathalysers that can detect cancerous cells.
- **Activity:** Post snacks Venture center had arranged a small activity come game to test the understanding of the students on the subjects discussed. Participation certificates and memento were given to the students.
