DEAN

Quorum is being established, the meeting was duly constituted. IQAC co-ordinator welcomed all members and meeting was conducted as per agenda points.

1. **Confirmation of the minutes of last meeting:** IQAC co-ordinator read and confirms the minutes of last meeting.

2. **Faculty development programme:** The chairman suggested for planning and conducting of faculty development programme such as Basic Course in Medical Education (BCME) should be done on priority basis. The MEU coordinator told that now most of members of MEU and Curriculum committee completed their training at Nodal centre and we have sent proposal to nodal centre and NMC for grant of permission for BEME workshop to be conducted on 27- 29 September 2024. MEU unit of nodal centre accepted proposal and forwarded to NMC for one time grant of permission based on condition that remaining faculty of MEU /CC have to complete their training in near future.

3. **Up-gradation of ENT OPD services:** The chairman told that installation of Sleep lab is in progress and will be completed shortly and made available for the service of the patients.

4. **Conduction of orientation programme on e- content & development:** The chairman told that orientation programme on e- content & development is planned. Detailed schedule will be released shortly. All faculty members should attend this programme. The hands on training workshop on e- content & development should also be planned by taking consent and time from external faculty in next six months.

5. **Establishment of Centre for Nuclear Medicine:** The chairman informed that the institute has established Centre for Nuclear Medicine. The building plan is approved by AERB and construction is completed. PET scan, SPECT scan, Nuclide (Radioisotope) therapy is available. This centre will be inaugurated on 14th June 2024 by the auspicious hands of Dr. Sudeep Gupta, Director, Tata Memorial Hospital, Mumbai. All faculty members are requested to attend the function in Multipurpose hall. Invitations are also sent to all departments.

DEAN

6. Establishment of Eye bank: The chairman told that institute is establishing eye bank. One hall is dedicated to eye bank in the OT complex. The inspections of competent authority were conducted by the government. Now we are awaiting of approval letters.

7. Preparedness for NABL of Central Clinical Lab: The chairman informed that the institute is in process of applying NABL of Central Clinical Lab in next future. The sensitization and training programme will be planned accordingly and informed to the faculty. The preparation for the same should be started.

In Central Clinical Lab (CCL) Biochemistry is participating in external quality control programme of CMC, Vellore as well as from Randox and Pathology is participating in external quality control programme of AIIMS, New-Delhi on regular basis. Now we are conducting meeting and training sessions for preparedness for NABL of CCL so that faculty and staff will work on SOPs and preparation of other records.

8. Preparedness for full NABH: The chairman informed that our hospital is accredited for Entry level NABH on 16/5/2023 and valid for 2 years upto 15/05/2025. Now we have started preparation of full NABH. For this training programme and meetings are conducted and also planned and intimated to concern faculty. The concern faculty should start working on documentation part.

8. Any other point with the permission of the chair: There being no other point raised by any member, the meeting was concluded with vote of thanks to the chair.

Quorum is being established, the meeting was duly constituted. IQAC co-ordinator welcomed all members and meeting was conducted as per agenda points.

1. Confirmation of the minutes of last meeting: IQAC co-ordinator read and confirms the minutes of last meeting.

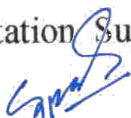

2. NABL Accreditation of CCL: The chairman informed that recently we have received renewal certificate of NABL of Virology lab. This certificate is valid till 22/05/2025.

3. MUHS University result: The chairman told that MUHS result is declared. The chairman congratulates all successful students and faculty members for their efforts taken. The department-wise MUHS result should be analysed and should be submitted to Dean's office. HOD's should conduct meeting at department level and decide the strategy plan for slow learner and failed students.

4. Mentorship Programme: The chairman told to Dean's office that mentor- mentee list of Ist MBBS 2023 batch should be prepared immediately after completion of admission process and sent to concern faculty members for effective implementation of mentorship programme. The faculty members should keep all records of mentorship programme in appropriate formats.

5. Research projects and publications: The chairman informed to all members that they should prepare research projects and apply for research grants of various funding agencies such as MUHS, ICMR, BIRAC etc. Faculty members should also motivate students for short term student research projects of ICMR and MUHS. It is also informed that, they should publish their research data in reputed indexed Indian and foreign journals.

6. Faculty development programme: The Dean told that as per norms of NMC all the members of medical education unit and curriculum committee members should undergo Basic Course in Medical Education workshop and Curriculum Implementation Support Programme workshop at NMC designated Nodal centre-

DEAN

Seth G S Medical College, Mumbai as per availability of seats or allotment. The MEU co-ordinator is requested to be in touch with nodal centre and complete the training programme as early as possible so that we can conduct BCME at our institute to train remaining faculty members of our institute.

7. **Starting of new PG courses:** The chairman informed that institute is planning to start new PG (MD/MS) courses in six subjects – TB-Chest, DVL, Psychiatry, ENT, Ophthalmology and Radiation Oncology. For essentiality certificate and university affiliation we are applying in September 2023. So that permission can be sought by NMC from the academic year 2025. The faculty of these departments should go the NMC requirements and procure the equipments.

8. **Increase of PG seats in Radiology & Paediatrics:** The chairman informed that institute is planning to increase the PG seats in Radiology & Paediatrics.

9. **Any other point with the permission of the chair:** There being no other point raised by any member, the meeting was concluded with vote of thanks to the chair.

----	-------------------	------------------------	-------------------

Agenda of the meeting was as follows.....

1. Read and confirm the minutes of last meeting
2. NAAC accreditation
3. NABH Entry level accreditation
4. Renewal of Virology Lab- NABL accreditation
5. Internal assessment examination
6. MUHS practical examination
7. Attendance of students
8. Student feedback
9. Any other point with the permission of the chair

Quorum is being established, the meeting was duly constituted. IQAC co-ordinator welcomed all members and meeting was conducted as per agenda points.

1. **Confirmation of the minutes of last meeting:** IQAC co-ordinator read and confirms the minutes of last meeting.
2. **NAAC accreditation:** The chairman told that Ist cycle NAAC accreditation result declared on 28th March 2024. Institute is accredited with B++grade (CGPA=2.78) and this accreditation is valid upto 27th March 2029. The certificate is also received. It is displayed in different locations - IQAC cell, Dean office, all departments and hospital. The chairman & IQAC coordinator congratulate all HODs, IQAC members, other faculty members and non-teaching staff for their cooperation and support.
3. **NABH Entry level accreditation:** The chairman informed that from last few months few faculty members were trained for NABH accreditation and they are making documentation for the same. Shortly the hospital will be accredited for NABH entry level accreditation.
4. **Renewal of Virology Lab- NABL accreditation:** The chairman informed that our Virology lab was NABL accredited. Now we are applying for renewal of the same.
5. **Internal assessment examination:** The academic chairman informed that internal assessment examination timetable is finalized by discussion with all HODs. All are informed to conduct exam as per schedule and prepare result within 15 days of completion of examination.

DEAN

6. **MUHS practical examination:** The Dean told that MUHS practical examination is scheduled by the university. All HODs and internal examiners are informed that they should communicate to external and confirm the availability. If external are not available on scheduled dates then convener should finalise other examiners from MUHS panel list and conduct practical examination as per schedule without postponing the dates.

7. **Attendance of students:** The chairman told to all HODs to review quarterly attendance of students and inform to the students as well as to parents at the time of parent-teacher meet. Instruct the students to compensate their attendance in due course of time, if they have short of attendance otherwise they will not be able to appear university examination. As per university norms attendance of theory should be 80% and non-theory classes should be 75 %.

8. **Student feedback:** The chairman told to all HODs that half yearly student feedback should be collected on regular basis and its analysis to be done. The copy of the same should be sent to IQAC.

9. **Any other point with the permission of the chair:** As no other point raised by any member, the meeting was concluded with vote of thanks to the chair.
