The following documents were reviewed:

Sr. No.	Document
1	Project Submission Form
2	PPT

**Decision: Approved. IEC approved the study till 29.05.2023 (1 year). You are requested to submit Continuing Review report on or before 29.05.2023.**

Following points must be noted:

- 1. IEC has approved analysis of 10 Subjects on this study.**
- 2. IEC should be informed of the yearly progress of the study by the PI. Failure to submit the continuing review application/ annual status report may result in withdrawal of IEC approval.**
- 3. IEC has approved the conduct of the study at BKLWRMC & H.**
4. Principal Investigator and study team should be GCP trained.
5. PI and other investigators should notify initiation of the study.
6. The decision was arrived at through consensus/ unanimous or majority opinion amongst the voting members of IEC. Member(s) of the committee who is/ are listed as investigator(s) on a research proposal opted out from all deliberations on the proposal and did not participate in decision making. Neither PI nor any of proposed study team members participated during the decision making of the IEC. IEC members with any conflict of interest opted out from all deliberations on the proposal and did not participate in decision making.
7. Any change, modification or deviation in protocol must be informed to IEC. Any protocol modification or amendment must receive IEC approval.
8. This Ethics Committee is organized and operates according to Good Clinical Practice and Schedule Y requirements.
9. Any deviation/ violation/ waiver in the protocol must be informed to the IEC.
10. Principal Investigator should conduct the study accordance to the IEC approval protocol.
11. The PI should submit a report to the IEC at the time of Study Completion or Premature Termination/ Suspension/ Discontinuation Report as is applicable.
12. Principal Investigator should comply with regulations and guidelines as applicable.

Thanking You,  
Yours Sincerely,

Dr. Anand Joshi,  
Acting Member Secretary  
IEC
