Description of the program & Activities done	<p>The NSS Cell has organized Plastic Collection Drive and Awareness campaign regarding restricting the use of avoidable plastic in the villagers and patients under Environment Conservation & Sustainability Campaign. The activity started at 9:00am on 25/06/2023. NSS volunteers gathered in the OPD complex of the hospital and educated patients and their relatives sitting in the waiting area about restricting the use of avoidable plastic, especially bottles with the help of slogans and flyers.</p> <p>Later at 11:00 am NSS volunteers went to Dervan village and collected plastic bottles and other plastic items on the roads and village area. Volunteers also educated people in the village about the hazards of using plastics and alternatives they can use in place of plastic. The villagers also participated in the event. The collected plastic was handed over to the cleaning supervisor of the Hospital who then sent it for recycle. The villagers admired the service of the NSS students. The Campaign also promoted the World Environment Day theme "Beat Plastic Pollution"</p>
