Description of the program & activities done	Under the direction of the Ministry of Youth Affairs & Sports/Directorate of NSS, New Delhi, the NSS Cell of BKL Walawalkar Rural Medical College (BKLWRMC), Sawarde, organized the <i>MY Bharat Outreach Program</i> for MBBS students on January 22, 2025, in Lecture Hall 2. NSS volunteers played a vital role in ensuring the program's smooth execution. Prior to the main training session, NSS volunteers received training on conducting sessions for the MY Bharat portal.

They were registered beforehand.

The first session was led by Chinmay Kulkarni, an NSS student, who introduced the *My Bharat* portal and its benefits. He explained that *My Bharat* is an online Youth Leadership and Social Engagement Platform aimed at empowering Indian youth as leaders and active citizens. It serves as a Single-Window Platform for youth opportunities and information, acting as a bridge between the youth and the Government of India. Chinmay highlighted the features of the *My Bharat* app, showcasing how it helps students enhance their CVs, create events, showcase their talents on a national platform, and gain experiential learning opportunities.

Subsequently, NSS students Asrin Chowdhury and Tejraj Galande conducted a comprehensive step-by-step demonstration of the registration process on the *My Bharat* portal. They addressed participants' questions and provided hands-on assistance. With the support of NSS volunteers, participants were guided through the registration process and helped to download their certificates. A total of 213 students successfully registered on the *My Bharat* portal. The participants expressed their gratitude for the engaging and informative session. The event concluded with a vote of thanks delivered by NSS student Arya Madav.

Description of the program & Activities done	<p>Under the guidance of the Ministry of Youth Affairs & Sports and the Directorate of NSS, New Delhi, the NSS Cell of BKL Walawalkar Rural Medical College (BKLWPMC), Sawarde, organized an impactful MY Bharat Outreach Program for MBBS students on January 23, 2025, in Lecture Hall 1. The event aimed to promote awareness and engagement with the My Bharat portal, a platform dedicated to youth leadership and social development. NSS volunteers played an integral role in ensuring the program was executed smoothly and effectively.</p> <p>In preparation for the event, NSS volunteers received comprehensive training on conducting sessions for the My Bharat portal. This pre-training equipped them with the knowledge and skills required to guide participants confidently during the program. The volunteers were also registered on the portal prior to the main session, ensuring a streamlined process.</p> <p>The program officially commenced with an introductory session led by Chinmay Kulkarni, an NSS student, who provided an in-depth explanation of the My Bharat portal and its benefits. Chinmay described My Bharat as an innovative online Youth Leadership and Social Engagement Platform aimed at empowering Indian youth to become proactive leaders and active contributors to society. He explained that the</p>

portal serves as a single-window platform for accessing various youth opportunities and government initiatives, effectively bridging the gap between the youth and the Government of India.

During his presentation, Chinmay elaborated on the portal's features, emphasizing its role in helping students build stronger CVs, create and manage events, showcase their talents on a national stage, and access valuable experiential learning opportunities. His session provided attendees with a clear understanding of how the platform could support their personal and professional growth.

Following the introduction, NSS students Asrin Chowdhury and Arya Madav led a detailed, step-by-step demonstration of the registration process on the My Bharat portal. They carefully guided the participants through the process, addressing individual questions and ensuring that everyone felt confident in navigating the platform. With the active assistance of NSS volunteers, participants were able to complete their registrations successfully and download their certificates of participation. By the end of the session, an impressive total of 213 students had successfully registered on the My Bharat portal.

Dr. Chandrashekhar, Principal of the Physiotherapy College, expressed heartfelt appreciation for the well-structured, engaging, and informative session, commending the efforts of the NSS team and the student presenters. The event concluded on a positive note, with Dr. Rupa Rao, Assistant Professor, delivering a formal vote of thanks, acknowledging the dedication of all involved and the enthusiasm of the participants.
